Sir:

Applicant agrees with the examiner that the invention distinguishes over White et al. (U.S.P.N. 6,869,140). However, applicant submits that the examiner inadvertently switched the reference teaching with applicant's teaching. Applicant teaches a diffuser bag with an air-permeable top layer and White et al. teaches an air-impermeable top layer.

Respectfully submitted,  
Michael J. Bevan et al.
